Re: Notice of Immediate Closure Pursuant to Public Health Order - McKinley Paper Company

Dear Sir or Madam:

Pursuant to the COVID-Safe Practices for Individuals and Employers Guide, which is incorporated by reference in the current Public Health Order, a “rapid response” is conducted whenever a COVID-19 case is identified in a place of business or a high-risk facility or population. As part of the rapid response process, the New Mexico Department of Health requires that the identified entity follow appropriate isolation, quarantine, and infection control protocols to mitigate potential COVID-19 transmission and limit risk to employees and the public.

Section 15 of the operative Public Health Order mandates closure of certain business entities that receive four (4) or more rapid responses within a rolling fourteen (14) day period. Specifically:

Any “food and drink establishment,” “close-contact business,” “place of lodging,” “retail space,” or other business that poses a significant public health risk, as determined by the Department of Health, must close for a period of two weeks following the occurrence of four (4) or more rapid responses within a fourteen (14) day period. For purposes of this directive, rapid responses will be counted on a rolling basis.

McKinley Paper Company, located at County Road 19, Prewitt, NM, 87045, had the following rapid responses related to COVID-19 infections within a 14-calendar-day period:

Response #1: 10/23/20, 1 COVID-19 infections cited.
Response #2: 10/31/20, 1 COVID-19 infections cited.
Response #3: 11/2/20, 1 COVID-19 infections cited.

OFFICE OF THE SECRETARY

1190 St. Francis Dr., Suite N4100 • P.O. Box 26110 • Santa Fe, New Mexico • 87502
(505) 827-2613 • FAX: (505) 827-2530 • www.nmhealth.org

Response #4: 11/3/20, 1 COVID-19 infections cited.

Upon receipt of this Notice, McKinley Paper Company must immediately close all business operations at the location of the rapid responses cited above for fourteen consecutive calendar days, in accordance with the Public Health Order issued November 5, 2020. McKinley Paper Company must immediately cease operations at this location through November 19, 2020. McKinley Paper Company may resume normal operations at this location on November 20, 2020.

In addition, McKinley Paper Company will appear on the Rapid Response COVID-19 Watchlist under the “Rapid Response Closure” tab on the New Mexico Environment Department’s (NMED) website for the duration of the fourteen-day closure. The NMED will also include your business/organization and location in a daily press release and social media updates during the fourteen-day closure.

Failure to comply with this directive may result in substantial monetary penalties in accordance with the Public Health Emergency Response Act, NMSA 1978, §§ 12-10a-1 to -19, and may further subject you to criminal penalties or civil judicial enforcement, or both. The failure to comply with this and other directives of the Public Health Order may also subject you to other penalties under applicable state laws.

While your operations are suspended at this location, you are encouraged to have all your employees tested for COVID-19. To find a COVID-19 testing center near you, please visit: <https://cvprovider.nmhealth.org/directory.html>. Additional resources can also be found at <https://cv.nmhealth.org> and <https://www.env.nm.gov/nmed-resources-for-covid-19/>.

A representative from the New Mexico Department of Health, the New Mexico Environment Department, or other applicable state agencies will contact you to discuss COVID-safe practices and provide guidance to prevent workplace exposure. Please be prepared to provide information on additional measures you have taken or plan to take to prevent additional positive cases.

If you have questions concerning this Notice, you may contact Joey B. Wright, Assistant General Counsel, at (505) 827-2912.

Sincerely,

Billy J. Jimenez
Acting Cabinet Secretary

NOVEMBER 5, 2020

Public Health Emergency Order Clarifying that Current Guidance Documents, Advisories, and Emergency Public Health Orders Remain in Effect; and Amending Prior Public Health Emergency Orders Limiting Businesses and Non-Profit Entities' Operations and Providing Additional Restrictions on Mass Gatherings Due to COVID-19

PREFACE

The purpose of this amended Public Health Emergency Order is to amend restrictions on mass gatherings and business operations, which were implemented in response to the spread of the Novel Coronavirus Disease 2019 ("COVID-19"). Continued social distancing and self-isolation measures are necessary to protect public health given the potentially devastating effects that could result from a rapid increase in COVID-19 cases in New Mexico. While this Order continues some loosened restrictions on mass gatherings and business operations, the core directive underlying all prior public health initiatives remains intact; **all New Mexicans should be staying in their homes for all but the most essential activities and services.** When New Mexicans are not in their homes, they must strictly adhere to social distancing protocols and wear face coverings to minimize risks. These sacrifices are the best contribution that each of us can individually make to protect the health and wellbeing of our fellow citizens and the State as a whole. In accordance with these purposes, this Order and its exceptions should be narrowly construed to encourage New Mexicans to stay in their homes for all but the most essential activities.

It is hereby **ORDERED** that:

1. All current guidance documents and advisories issued by the Department of Health remain in effect.
2. The following Public Health Emergency Orders remain in effect through the current Public Health Emergency and any subsequent renewals of that Public Health Emergency or until they are amended or rescinded:
 - A. March 13, 2020 Public Health Emergency Order to Temporarily Limit Nursing Home Visitation Due to COVID-19;
 - B. April 30, 2020 Public Health Emergency Order Modifying Temporary Restrictions on Non-Essential Health Care Services, Procedures, and Surgeries;

OFFICE OF THE SECRETARY

- C. March 24, 2020 Public Health Emergency Order Temporarily Regulating the Sale and Distribution of Personal Protective Equipment Due to Shortages Caused by COVID-19; and
- D. September 3, 2020 Public Health Emergency Order Clarifying that Polling Places Shall be Open as Required in the Election Code and Imposing Certain Social Distancing Restrictions on Polling Places.

3. The October 22, 2020 Public Health Emergency Order Clarifying that Current Guidance Documents, Advisories, and Emergency Public Health Orders Remain in Effect; and Amending Prior Public Health Emergency Orders Limiting Businesses and Non-Profit Entities' Operations and Providing Additional Restrictions on Mass Gatherings Due to COVID-19 is hereby amended as follows:

ORDER

WHEREAS, on March 11, 2020, because of the spread of the novel Coronavirus Disease 2019 ("COVID-19"), Michelle Lujan Grisham, the Governor of the State of New Mexico, declared that a Public Health Emergency exists in New Mexico under the Public Health Emergency Response Act, and invoked her authority under the All Hazards Emergency Management Act;

WHEREAS, Governor Michelle Lujan Grisham has renewed the declaration of a Public Health Emergency through November 13, 2020;

WHEREAS, COVID-19 continues to spread in New Mexico and nationally. Since, Executive Order 2020-004 was issued, confirmed COVID-19 infections in New Mexico have risen to over 34,000 and confirmed cases in the United States have risen to more than 7.8 million, with significant recent spikes in cases in some of our neighboring states;

WHEREAS, the further spread of COVID-19 in the State of New Mexico poses a threat to the health, safety, wellbeing and property of the residents in the State due to, among other things, illness from COVID-19, illness-related absenteeism from employment (particularly among public safety and law enforcement personnel and persons engaged in activities and businesses critical to the economy and infrastructure of the State), potential displacement of persons, and closures of schools or other places of public gathering;

WHEREAS, social distancing and the consistent and proper use of face coverings in public spaces are the most effective ways New Mexicans can minimize the spread of COVID-19 and mitigate the potentially devastating impact of this pandemic in New Mexico; and

WHEREAS, the New Mexico Department of Health possesses legal authority pursuant to the Public Health Act, NMSA 1978, Sections 24-1-1 to -40, the Public Health Emergency Response Act, NMSA 1978, Sections 12-10A-1 to -19, the Department of Health Act, NMSA 1978, Sections 9-7-1 to -18, and inherent constitutional police powers of the New Mexico state government, to preserve and promote public health and safety, to adopt isolation and quarantine,

and to close public places and forbid gatherings of people when deemed necessary by the Department for the protection of public health.

NOW, THEREFORE, I, Billy J. Jimenez, Acting Cabinet Secretary of the New Mexico Department of Health, in accordance with the authority vested in me by the Constitution and the Laws of the State of New Mexico, and as directed by the Governor pursuant to the full scope of her emergency powers under the All Hazard Emergency Management Act, do hereby declare the current outbreak of COVID-19 a condition of public health importance as defined in the New Mexico Public Health Act, NMSA 1978, Section 24-1-2(A) as an infection, a disease, a syndrome, a symptom, an injury or other threat that is identifiable on an individual or community level and can reasonably be expected to lead to adverse health effects in the community, and that poses an imminent threat of substantial harm to the population of New Mexico.

The following definitions are adopted for the purposes of this Order:

Definitions: As used in this Public Health Order, the following terms shall have the meaning given to them, except where the context clearly requires otherwise:

(1) "Essential business" means any business or non-profit entity falling within one or more of the following categories:

a. Health care operations including hospitals, walk-in-care health facilities, pharmacies, medical wholesale and distribution, home health care workers or aides for the elderly, emergency dental facilities, nursing homes, residential health care facilities, research facilities, congregate care facilities, intermediate care facilities for those with intellectual or developmental disabilities, supportive living homes, home health care providers, drug and alcohol recovery support services, and medical supplies and equipment manufacturers and providers;

e. Farms, ranches, and other food cultivation, processing, or packaging operations;

f. Infrastructure operations including, but not limited to, public works construction, commercial and residential construction and maintenance, airport operations, public transportation, airlines, taxis, private transportation providers, transportation network companies, water, gas, electrical, oil drilling, oil refining, natural resources extraction or mining operations, nuclear material research and enrichment, those attendant to the repair and construction of roads and highways, gas stations, solid waste collection and removal, trash and recycling collection,

processing and disposal, sewer, data and internet providers, data centers, technology support operations, and telecommunications systems;

g. Manufacturing operations involved in food processing, manufacturing agents, chemicals, fertilizer, pharmaceuticals, sanitary products, household paper products, microelectronics/semi-conductor, primary metals manufacturers, electrical equipment, appliance, and component manufacturers, and transportation equipment manufacturers;

h. Services necessary to maintain the safety and sanitation of residences or essential businesses including security services, towing services, custodial services, plumbers, electricians, and other skilled trades;

i. Veterinary and livestock services, animal shelters and facilities providing pet adoption, grooming, daycare, or boarding services;

j. Media services;

k. Automobile repair facilities, bike repair facilities, and retailers who generate the majority of their revenue from the sale of automobile or bike repair products;

l. Utilities, including their contractors, suppliers, and supportive operations, engaged in power generation, fuel supply and transmission, water and wastewater supply;

m. Hardware stores;

n. Laundromats and dry cleaner services;

o. Funeral homes, crematoriums and cemeteries;

p. Banks, credit unions, insurance providers, payroll services, brokerage services, and investment management firms;

q. Businesses providing mailing and shipping services;

r. Laboratories and defense and national security-related operations supporting the United States government, a contractor to the United States government, or any federal entity;

s. Professional services, such as legal or accounting services, but only where necessary to assist in compliance with legally mandated activities; and

t. Logistics, and also businesses that store, transport, or deliver groceries, food, materials, goods or services directly to residences, retailers, government institutions, or essential businesses.

(2) “Close-contact businesses” include barbershops, hair salons, gyms, group fitness classes, tattoo parlors, nail salons, spas, massage parlors, esthetician clinics, tanning salons, guided raft tours, guided balloon tours, bowling alleys, ice skating rinks, and personal training services.

(3) “Food and drink establishments” include restaurants, breweries, wineries, distillers, cafes, coffee shops, or other similar establishments that offer food or drink. For purposes of this section, “breweries” are those businesses licensed pursuant to NMSA 1978, Section 60-6A-26.1; “distillers” are those businesses licensed pursuant to NMSA 1978, Section 60-6A-1; and “wineries” are those businesses licensed pursuant to NMSA 1978, Section 60-A-11.

(4) “Houses of worship” means any church, synagogue, mosque, or other gathering space where persons congregate to exercise their religious beliefs.

(5) “Close-contact recreational facilities” include indoor movie theaters, indoor museums with interactive displays or exhibits and other similar venues, miniature golf, arcades, amusement parks, aquariums, casinos, concert venues, professional sports venues, event venues, bars, dance clubs, performance venues, go-kart courses, automobile racetracks, adult entertainment venues, and other places of recreation or entertainment. For purposes of this section, a “bar” is defined as any business that generated more than half of its revenue from the sale of alcohol during the preceding fiscal year.

(6) “Outdoor recreational facilities” include outdoor golf courses, public swimming pools, outdoor tennis courts, youth programs, youth livestock shows, u-pick produce operations and corn mazes, horseracing tracks, botanical gardens, outdoor zoos, and New Mexico state parks.

(7) “Places of lodging” means all hotels, motels, RV parks, and short-term vacation rentals.

(8) “Retail space” means any business that sells goods or services directly to consumers or end-users and includes the following “essential businesses” identified in the categories above: 1(d), 1(k), 1(m), and 1(n).

(9) “Mass gathering” means any public gathering, private gathering, organized event, ceremony, parade, funeral, organized amateur contact sport, or other grouping that brings together more than five (5) individuals in a single room or connected space, confined outdoor space or an open outdoor space. “Mass gathering” does not include the presence more than five (5) individuals where those individuals regularly reside. “Mass gathering” does not include individuals who are public officials or public employees in the course and scope of their employment.

(10) “COVID-Safe Practices” (“CSPs”) are those directives, guidelines, and recommendations for businesses and other public operations that are set out and memorialized in the document titled “All Together New Mexico: COVID-Safe Practices for Individuals and Employers.” This document may be obtained at the following link <https://cv.nmhealth.org/covid-safe-practices/>.

I HEREBY DIRECT AS FOLLOWS:

(1) Except as provided elsewhere in this Order, all “mass gatherings” are hereby prohibited under the powers and authority set forth in the Public Health Act. An indoor or outdoor parade of any sort is a mass gathering; parades are therefore prohibited under this Order.

(2) “Essential businesses” may open but must comply with the pertinent “COVID-Safe Practices (CSPs)” section(s) of the “All Together New Mexico: COVID-Safe Practices for Individuals and Employers” and any identified occupancy restrictions. “Essential businesses” identified as a “retail space” must close by 10:00 p.m. and must remain closed until at least 4:00 a.m. A “retail space” may not exceed 25% of the maximum occupancy of any enclosed space on the business’s premises, as determined by the relevant fire marshal or fire department. Further, an “essential business” identified as a “retail space” may not allow a person who is without a mask or multilayer cloth face covering to enter the premises except where that person is in possession of a written exemption from a healthcare provider.

(3) “Close-contact businesses” may operate at up to 25% of the maximum occupancy of any enclosed space on the business’s premises, as determined by the relevant fire marshal or fire department. Bowling alleys may open for league play only and must adhere to occupancy restrictions and all applicable CSP’s including wearing masks. Ice skating rinks may operate for athletic training and practice by reservation only.

(4) “Close-contact recreational facilities” must remain closed.

(5) “Food and drink establishments” may provide dine-in service, but they may not exceed more than 25% occupancy of the maximum occupancy in any enclosed space on the premises, as determined by the relevant fire marshal or fire department. “Food and drink establishments” choosing to provide indoor dining must ensure that there is at least six feet of distance between tables. No more than six patrons may be seated at any single table. No bar or counter seating is permitted. Dine-in services shall be provided only to patrons who are seated at table, and patrons may not consume food or beverage while standing. In order to provide any indoor dining after October 30, 2020, “food and drink establishments” must complete the NM Safe Certified training offered at <https://nmsafecertified.org>, as well as comply with all NM Safe Certified requirements, including, but not limited to: screening customers and staff for symptoms of COVID-19 prior to entry, consenting to Department of Health spot-testing of symptomatic employees, requiring dine-in customers to provide limited contact information for contact tracing purposes, and retaining contact tracing information for no less than three weeks. All “food and drink establishments,” regardless of noncompliance with the NM Safe Certified requirements, may provide service in outdoor seating areas up to 75% occupancy, where applicable. In all instances, tables in outdoor seating areas must be spaced at least six feet apart. No more than six patrons may be seated at any single table. Patrons must be seated in order to be served food or drink unless ordering food for carryout. No bar or counter seating is permitted. “Food and drink establishments” may provide carryout service, or delivery service if otherwise permitted by law. Any “food and drink establishment” that is permitted to serve alcohol must close for in-person service by 10:00 p.m. and must remain closed until at least 4:00 a.m. “Food and drink

establishments” may provide delivery service after 10:00 p.m. but no customers are permitted on the premises.

(6) “Houses of worship” may hold religious services, indoors or outdoors, or provide services through audiovisual means, but may not be used as a venue for non-religious events. “Houses of worship” may not exceed 40% of the maximum occupancy of any enclosed building, as determined by the relevant fire marshal or fire department.

(7) “Outdoor recreational facilities” may operate provided they comply with the pertinent “All Together New Mexico: COVID-Safe Practices for Individuals and Businesses.” Further, state parks shall only be open to New Mexico residents. Visitor centers and any other large enclosed indoor spaces at state parks shall remain closed. As a condition of entering a state park, all visitors must demonstrate proof of residency through one of the following means: a New Mexico license plate on their vehicle; a New Mexico driver’s license or ID card; a valid New Mexico vehicle registration; a federal document attesting to residency; or a military identification. The State Parks Division is directed to extend the use of annual camping passes that were purchased after March 2019 for a period determined by the State Parks Division related to the original expiration date due to the closure of State Parks to camping. In addition, public swimming pools are limited to the concurrent use of not more than ten (10) persons. Play and splash areas shall be closed. Horseracing tracks may not allow spectators.

(8) “Places of lodging” which have completed the NM Safe Certified training offered at <https://nmsafecertified.org> may operate up to 60% of maximum occupancy. All other “places of lodging” shall not operate at more than 25% of maximum occupancy. Healthcare providers who are engaged in the provision of care to New Mexico residents or individuals utilizing “places of lodging” for extended stays, as temporary housing, or for purposes of quarantining shall not be counted for purposes of determining maximum occupancy.

(9) Any business that is not identified as an “essential business,” “close-contact business,” “food and drink establishment,” “house of worship,” “close-contact recreational facility,” “outdoor recreational facility,” or “place of lodging” may open provided that the total number of persons situated within the business does not exceed 25% of the maximum occupancy of any enclosed space on the business’s premises, as determined by the relevant fire marshal or fire department.

(10) Any entity, including businesses and houses of worship, operating pursuant to this public health order must comply with the pertinent “COVID-Safe Practices (CSPs)” section(s) of the “All Together New Mexico: COVID-Safe Practices for Individuals and Employers” and also any identified occupancy restrictions.

(11) Private educational institutions serving children and young adults from pre-Kindergarten through 12th Grade, including homeschools serving children who are not household members, shall adhere to the face covering and other COVID-Safe Practices requirements for in-person instruction described in the document “Reentry Guidance” published by New Mexico’s Public Education Department on June 20, 2020 and as updated from time to time thereafter, and shall operate with a maximum occupancy of 25% of any individual enclosed indoor space, such as

any classroom, as determined by the relevant fire marshal or fire department, with the occupancy restriction herein to govern in the event of any discrepancy with the “Reentry Guidance.”

(12) Unless a healthcare provider instructs otherwise, all individuals shall wear a mask or multilayer cloth face covering in public settings except when eating or drinking. Masks with vents shall not satisfy this requirement.

(13) The New Mexico Department of Health, the New Mexico Department of Public Safety, the New Mexico Department of Homeland Security and Emergency Management, the Department of the Environment, and all other State departments and agencies are authorized to take all appropriate steps to ensure compliance with this Order.

(14) In order to minimize the shortage of health care supplies and other necessary goods, grocery stores and other retailers are hereby directed to limit the sale of medications, durable medical equipment, baby formula, diapers, sanitary care products, and hygiene products to three items per individual. NMSA 1978, § 12-10A-6.

(15) Any “food and drink establishment,” “close-contact business,” “place of lodging,” “retail space,” or other business that poses a significant public health risk, as determined by the Department of Health, must close for a period of two weeks following the occurrence of four (4) or more rapid responses within a fourteen (14) day period. For purposes of this directive, rapid responses will be counted on a rolling basis. Notwithstanding this provision, a “retail space” may be permitted to continue operating if the Department of Health, after consultation with the Environment Department, determines that the business is a necessary provider of goods or services within the community in light of geographic considerations.

(16) All state-run museums must close.

I FURTHER DIRECT as follows:

(1) This Public Health Order shall be broadly disseminated in English, Spanish and other appropriate languages to the citizens of the State of New Mexico.

(2) This Public Health Order declaring restrictions based upon the existence of a condition of public health importance shall not abrogate any disease-reporting requirements set forth in the New Mexico Public Health Act.

(3) Nothing in this Public Health Order is intended to restrain or preempt local authorities from enacting more stringent restrictions than those required by the Order.

(4) This Public Health Order shall take effect on November 5, 2020 and remain in effect through November 13, 2020.

(5) Any and all State officials authorized by the Department of Health may enforce this Public Health Order by issuing a citation of violation, which may result in civil administrative penalties of up to \$5,000 for each violation under Section 12-10A-19.

I FURTHER ADVISE the public to take the following preventive precautions:

- New Mexico citizens should stay at home and undertake only those outings absolutely necessary for their health, safety, or welfare.
- Retailers should take appropriate action consistent with this order to reduce hoarding and ensure that all New Mexicans can purchase necessary goods.
- Avoid crowds.
- Avoid all non-essential travel including plane trips and cruise ships.
