

REQUEST FOR PROPOSAL NO. 20-667-3500-0002

TITLE:

Professional Services for Permit Technical and Regulatory Support.

PURPOSE:

The purpose of this Request for Proposal (RFP) is to solicit proposals from firms with expertise in regulatory and technical review and the development of documents supporting applications for Resource Conservation and Recovery Act (RCRA) subtitle C permits and other technical documents. The reviews must compare permit applications to regulatory requirements and technical standards in the New Mexico Hazardous Waste Management Regulations (20.4.1 NMAC), Title 40 Code of Federal Regulations (CFR) Section 270 and Subpart V Parts 260 through 270, and other applicable RCRA Subtitle C regulations and guidance.

The Agency will assign individual projects/tasks under this contract on an as-needed basis. The contractor(s) will be compensated for approved costs.

This RFP must be responded to as a unit; no part can be responded to individually.

ISSUANCE:

The request for proposals will be issued on November 6, 2020. Offeror's interested in obtaining a copy should contact Jessica Tapia, Procurement Manager, at (505) 795-0783, or by email at jessica.tapia@state.nm.us or by mail at 1190 S. St. Francis Dr., Room S-4051, Santa Fe, New Mexico 87505-5469. If you reach voicemail, please very clearly provide and spell your name, company name, address and telephone number.

A copy of the request for proposal may also be obtained by accessing the New Mexico Environment Department web site: <https://www.env.nm.gov/requests-for-proposals/> & <https://www.env.nm.gov/hazardous-waste/>

PROPOSAL DUE DATE AND TIME:

The Procurement Manager, Jessica Tapia, or her designee, must receive the proposals **NO LATER THAN 3:00 P.M., MOUNTAIN STANDARD TIME ON Monday, January 19, 2021.** *Proposals received after this deadline will not be accepted.*
