Request for Proposals Solicitation #23-667-2060-27684 (RFP)

Integrating Linear Features, Edge and Gap Mapping for New Mexico's Mapping and Classification Project

Project Description:

The New Mexico Environment Department, through its Surface Water Quality Bureau, requests proposals from qualified firms, for the procurement of mapping and classification of wetlands environmental science services in specified areas of New Mexico to complete gaps and inconsistencies in the United States Fish and Wildlife Service (USFWS) National Wetlands Inventory (NWI) and other geospatial layers for New Mexico.

Deadline for Receipt of Proposals: 3:00 PM MST, March 27, 2023 - Proposals received after this deadline **will not** be accepted.

Offerors may download a copy of the RFP from NMED's Bonfire Procurement portal at:
