If this proposed regulation will do anything that will drive up the price of the oil and gas product being produced I'm against it.

If this proposed regulation has any resemblance to similar regulations in the state of California, I'm against it.

If this regulation is more restrictive than any regulation that would be imposed in a sovereign tribal property, I'm against it.

If this regulation makes it more difficult for companies to do business in the state of New Mexico, I'm against it.
