**Request for Proposals Solicitation #24-66700-24-27727 (RFP)
Comprehensive Tank Inspections**

Project Description:

The New Mexico Environment Department's Drinking Water Bureau is seeking qualified professionals to conduct comprehensive tank inspections at public drinking water systems in New Mexico. The tank inspections must be conducted in accordance with American Water Works Association (AWWA) industry standards. These comprehensive storage tank inspections shall determine the overall condition of the tanks and provide thorough reports which include but are not limited to providing overall inspection findings, as well as specific recommendations for needed maintenance, repairs, or replacements of the tanks.

Deadline for Receipt of Proposals: 3:00 PM MST, April 19, 2024 - Proposals received after this deadline **will not** be accepted.

Potential Offerors may download a copy of the RFP from NMED's Bonfire Procurement portal at: <https://env-nm.bonfirehub.com/projects>
