**State of New Mexico's List of Properties Where Clandestine Drug Laboratory Seizures Have Been Made**

The New Mexico Environment Department ("the Department") provides this list as a public service. It contains addresses of some locations where law enforcement agencies reported they found chemicals or other items that indicated the presence of either clandestine drug laboratories or dumpsites. The sources of the entries are law enforcement agencies, and the Department has not verified the data and does not guarantee its accuracy. Members of the public must verify the accuracy of all entries by, for example, by contacting state or local law enforcement or local county agencies. Sites listed below that were seized prior to January 1, 2008, were not subject to the New Mexico Clandestine Drug Lab Cleanup Rule. Addresses were provided by law enforcement agencies for informational purposes. To report erroneous information found in the database, please contact us.

Entries on this web site are not intended to constitute advice nor should entries on this web site be used as a substitute for advice from a professional familiar with the specific facts and circumstances of the situation in question. The public should not act or refrain from acting based on entries on this web site. The Department does not accept responsibility or liability for damages of any kind resulting from reliance on an entry or on the lack of an entry on this list.

| County     | City              | Address  | Location Type        | Discovery Date | Cleanup Status | Agency | Comments                               |

**State of New Mexico's List of Properties Where Clandestine Drug Laboratory Seizures Have Been Made**

The New Mexico Environment Department ("the Department") provides this list as a public service. It contains addresses of some locations where law enforcement agencies reported they found chemicals or other items that indicated the presence of either clandestine drug laboratories or dumpsites. The sources of the entries are law enforcement agencies, and the Department has not verified the data and does not guarantee its accuracy. Members of the public must verify the accuracy of all entries by, for example, by contacting state or local law enforcement or local county agencies. Sites listed below that were seized prior to January 1, 2008, were not subject to the New Mexico Clandestine Drug Lab Cleanup Rule. Addresses were provided by law enforcement agencies for informational purposes. To report erroneous information found in the database, please contact us.

Entries on this web site are not intended to constitute advice nor should entries on this web site be used as a substitute for advice from a professional familiar with the specific facts and circumstances of the situation in question. The public should not act or refrain from acting based on entries on this web site. The Department does not accept responsibility or liability for damages of any kind resulting from reliance on an entry or on the lack of an entry on this list.

| County    | City                 | Address                               | Location Type        | Discovery Date | Cleanup Status | Agency | Comments                             |

**State of New Mexico's List of Properties Where Clandestine Drug Laboratory Seizures Have Been Made**

The New Mexico Environment Department ("the Department") provides this list as a public service. It contains addresses of some locations where law enforcement agencies reported they found chemicals or other items that indicated the presence of either clandestine drug laboratories or dumpsites. The sources of the entries are law enforcement agencies, and the Department has not verified the data and does not guarantee its accuracy. Members of the public must verify the accuracy of all entries by, for example, by contacting state or local law enforcement or local county agencies. Sites listed below that were seized prior to January 1, 2008, were not subject to the New Mexico Clandestine Drug Lab Cleanup Rule. Addresses were provided by law enforcement agencies for informational purposes. To report erroneous information found in the database, please contact us.

Entries on this web site are not intended to constitute advice nor should entries on this web site be used as a substitute for advice from a professional familiar with the specific facts and circumstances of the situation in question. The public should not act or refrain from acting based on entries on this web site. The Department does not accept responsibility or liability for damages of any kind resulting from reliance on an entry or on the lack of an entry on this list.

| County   | City             | Address               | Location Type        | Discovery Date | Cleanup Status | Agency | Comments       |
