Dear Ms. Wagner and Mr. Nimick:

The New Mexico Environment Department (NMED) issued a Notice of Approval (NOA) for the subject well plug and abandonment/installation plan on October 10, 2007. The NOA refers to a due date of January 1, 2008, as the date that the U. S. Department of Energy/Sandia Corporation must complete the scope of work, excluding the report, in the subject plan. This date is in error; the actual due date to complete the work shall be January 31, 2008.
Ms. Wagner and Mr. Nimick
