APPENDIX C
EMERGENCY EQUIPMENT AND MATERIALS

<u>DESCRIPTION</u>	<u>LOCATION</u>
Portable eyewash station	Bldg. 5
Protective Suits, Tyvex	Bldg. 5
Push broom	Bldg. 5
Sorbent material	Bldg. 5
Overpack drum	Bldg. 5
Protective gloves	Bldg. 5
Fire Extinguisher	Bldg. 5
Shovels	Bldg. 5
Front-end Loader	Bldg. 5
Road Grader	Bldg. 5

APPENDIX D
SUMMARY OF MEC ITEMS RECOVERED IN OB/OD AREA

Ordnance Type	Total Quantity to Date
<u>Stockpiled and Treated¹</u>	
BLU-3/BLU-4 bomblets	228
M83 bomblets	253
50 Caliber projectiles	5
20mm projectiles	1,581
37/40mm projectiles	8,083
57mm projectiles	64
60mm mortars	249
75/76mm projectiles	496
81mm mortars	80
90mm projectiles	624
102mm mortars	272
105mm projectiles	474
120mm mortars	1
155mm projectiles	51
3.5-inch rocket motor/warhead	93
Fuzes (artillery and bomb)	9,347
20-pound fragment bombs	199
5-inch rocket warhead	15
3-inch projectiles	3
M2 bounding mine	114
M2 bounding mine parts	217
Burster Tubes	81
Smoke canisters/candles (various sizes)	782
2.75-inch rocket warheads	7
2.75-inch rocket motors	2
100-pound general purpose bomb (partial)	2
3-inch rocket	1
20mm brass casings	19
90mm brass casings	1
Miscellaneous individual items: fuze extenders, tracer elements, M49 trip flares, primers, adapters, boosters	15
Unknown	14
4.5-inch rocket warhead	1
M38 grenade	2
30-06 Bullet (live)	1
M1 bounding mine	1
25-pound fragment bombs	2
Bulk Explosives (pounds)	207
Total Stockpiled and Treated	23,587

APPENDIX D
SUMMARY OF MEC ITEMS RECOVERED IN OB/OD AREA (CONTINUED)

Ordnance Type	Total Quantity to Date
Blown in Place²	
BLU-3 bomblets	103
BLU-4 bomblets	269
M83 bomblets	564
37mm projectiles	5
40mm projectiles	11
57mm projectiles	6
60mm mortars	8
75mm projectiles	5
81mm mortars	2
PG-9 rocket	1
5-inch Zuni rocket warhead	1
20-pound fragment bomb	3
Fuzes (artillery and bomb)	15
M1 Burster	1
Total Detonated In Place	994

Notes:

1. Items that were identified as safe to move by trained UXO personnel were stockpiled for disposition at a later date. At the completion of each of the UXO activities to date, stockpiled items were treated as necessary and all remaining items certified as non-UXO scrap and sent for off-site disposal.
2. Items that were identified as unsafe to move by trained UXO personnel were detonated in place.

APPENDIX E
INCIDENT REPORTING GUIDE

1. NMED HWB Requirements:

- a. Immediately notify the NMED HWB for reportable spills or an incident causing contingency plan implementation at the following telephone numbers:
- Emergencies: (505) 827-9329 (an emergency is defined as a catastrophic type release)
 - Non-emergencies during business hours: (505) 476-6000.
 - Non-emergencies during non-business hours: (800) 219-6157.

The following information will be provided when making the verbal report:

- (1) Name, address, and phone number of the person responsible for the spill or incident.
 - (2) Name, title, and telephone number of the individual reporting.
 - (3) Time and date of spill or incident.
 - (4) Location of spill or incident – as specific as possible including nearest town, city, highway, or waterway.
 - (5) Description contained on the manifest and the amount of material spilled or involved.
 - (6) Cause of spill or incident.
 - (7) Emergency action taken to minimize the threat to human health and the environment.
- b. Within 15 days after any reportable spill of hazardous waste or an incident causing contingency plan implementation, submit a written report to the NMED HWB containing the following information:
- (1) Name, address, and telephone number.
 - (2) Date, time, location, and nature of the incident.
 - (3) Name and quantity of material(s) involved.
 - (4) The extent of injuries, if any.
 - (5) An assessment of actual or potential hazards to human health and the environment, where this is applicable.
 - (6) The estimated quantity and disposition of recovered material that resulted from the incident.
- c. If a release of a hazardous substance or an acutely hazardous substance, as defined in 40CFR 302.6 or 40CFR 355 Appendix A, has the potential to expose persons off-site, the incident must also be reported to the NMED HWB by calling (505) 827-9329.

2. Local Community Emergency Coordinator: If a release of a hazardous substance or an acutely hazardous substance, as defined in 40 CFR 302.6 or 40 CFR 355 Appendix A, has the potential to expose persons off-site, the incident must also be reported to Metro Dispatch at (505) 722-2002.

3. National Response Center: Spills exceeding the reportable quantity of a hazardous substance or incidents causing contingency plan implementation must be reported immediately to the National Response Center in accordance with 40 CFR 302.6. Table 302.4, contains a listing of hazardous substances and their reportable quantities. The National Response Center requirement applies to both fixed facility and transportation incidents. The National Response Center's phone number is 800-424-8802 or 202-267-2180.
4. Army Internal Reporting Requirements: Any incident requiring immediate notification to any DOD or external agency will be reported as a Critical Information Requirement (CIR) in accordance with the guidance included in Appendix E. Telephone notifications will be made any hour, day, night, or weekend to the following:

WSMR Environmental Office

Duty hours: 575-678-8966

Mark Patterson, BEC

330-358-7312

cell: 505-721-9770

BRACD

703-602-2899

Follow-up notification will be accomplished within 24 hours of the incident by completing the FWDA Notification of Reportable Quantity Pollution Event form included in Appendix C and forwarding to the WSMR Environmental Office and BRACD.

Within five working days from the initial notification, forward any information that was unknown at the time of the initial report to the above addresses, e.g., remedial action planned, total cost of cleanup activities, steps being taken to prevent future occurrences of this type, etc.

5. Notification must be provided to the NMED HWB that the facility is in compliance with paragraph 40 CFR 264.56(h) before operations are resumed at the OB/OD Area following contingency plan implementation.
