RE: FINAL PERMIT DECISION: CLASS 3 PERMIT MODIFICATION FOR NO FURTHER ACTION STATUS FOR 19 SOLID WASTE MANAGEMENT UNITS REPRESENTING 24 SITES AT KIRTLAND AIR FORCE BASE

Dear Interested Person:

This letter notifies you of a final permit decision by the New Mexico Environment Department (NMED) to modify Module IV of the Resource Conservation and Recovery Act (RCRA) Permit NMD9570024423 issued to the U.S. Department of Defense/Kirtland Air Force Base (DoD/KAFB). DoD/KAFB requested this modification on February 5, 2007. The modification consists of the approval of No Further Action (NFA) status for 19 Solid Waste Management Units (SWMUs) representing 24 sites located at KAFB in Albuquerque, New Mexico.

In accordance with 20.4.1.901 NMAC, NMED provided public notice and conducted a 60-day public comment period from November 8, 2007, through January 8, 2008, regarding this modification request. No comments were received from the public during the comment period.

The permit modification documents can be found on the NMED website at www.nmenv.state.nm.us/HWB/kafbperm.html under No Further Action.

Sincerely,

A handwritten signature in black ink, appearing to read "John E. Kieling".
