Dear Mr. Kieling

In your letter of 13 April 2012, "*Requirement for Characterization Conditional Approval: Additional Groundwater Monitoring Wells (GWM), Addendum to Groundwater Investigation Work Plan (GIWM)*" the Hazardous Waste Bureau requested the submission of a "Plan" by 31 May 2012. Subsequently, in your 15 May 2012 letter you lifted several requirements previously established in your 13 April 2012 letter. In order to meet the requirements set forth in your letters, the Air Force will need to modify its current Performance Based Contract (PBC). Accordingly, I am requesting a extension of the submission date from 31 May 2012 to 30 June 2012 for revision of the PBC and development of the "Plan."

If you have any questions or concerns about this request, please contact Mr. L. Wayne Bitner at (505) 853-3484 or at ludie.bitner@kirtland.af.mil or Ms. Victoria R. Martinez at (505) 846-6362 or at victoria.martinez@kirtland.af.mil.

Sincerely

JOHN C. KUBINEC, Colonel, USAF
