Secretary Jim Kenney

8/25/2020

CLOSE ALL loopholes
on the METHANE rules!

The current draft methane
rules would exempt up to
95% of oil and gas wells!

OUTRAGEOUS! New Mexico
has some of the worst
ozone and methane pollution
in the U.S.

Do your job to protect
our health and the
environment!

Don Schrader
74 yr. old longtime
activist

Please find attached the above captioned post card received via U.S. mail for your review. I have placed the original copy in your office in the mail folder.

Thank you,

Theresa Macias
