IV. Owner Information

Owner Name: _____ **Owner ID:** _____ Phone: _____
 Address: _____ City: _____ State: _____ Zip: _____
 Owner's E-mail Address: _____

V. Facility Information

Facility Name: _____ **Facility ID:** _____
 Address: _____ City: _____ Zip: _____
 County: _____ Phone: _____
 E-mail Address (If Applicable): _____

VI. Equipment Information

A. Tanks: Above-ground Underground N/A, will not be installed, modified, or repaired.

Tank #	Capacity	Material/Model (i.e. FRP, ACT-100, or Fireguard)	Content

B. Piping: N/A, will not be installed, modified, or repaired. Double Walled Fiberglass Reinforced Plastic
 Double-walled Flexible Steel - Above-ground Other
 Manufacturer, Model, & Internal Diameter: _____

C. Release Detection for Tanks: N/A, will not be installed, modified, or repaired.
 Automatic Tank Gauging System ATG Manufacturer & Model: _____
 Interstitial Monitoring
 Interstitial Sensor Manufacturer & Model/Part#: _____
 Monthly Visual Inspections - AST Only
 Exempt (Tank system will only be used for emergency power generation.)

D. Release Detection for Piping: N/A, will not be installed, modified, or repaired.

Annual Line Tightness Testing Monthly Visual Inspections - AST with above-ground piping Only

Annual Line Tightness & Automatic Line Leak Detectors

Leak Detector Make & Model:

Interstitial Monitoring

Sensor Manufacturer & Model/Part #:

Exempt (Tank system will only be used for emergency power generation.)

E. Spill Containment Equipment: N/A, will not be installed, modified, or repaired. Exempt

Spill Bucket Remote Fill Box

Manufacturer & Model:

F. Overfill Prevention Equipment: N/A, will not be installed, modified, or repaired. Exempt

Automatic Shutoff Device Ball Check Valve Hi-Level Alarm

Manufacturer & Model:

G. Secondary Containment: N/A, will not be installed, modified, or repaired.

STP Sump Liner Transition Sump Liner Concrete Vault - Concrete Steel

Earthen Dike with Geo-synthetic Liner

Manufacturer & Model:

H. Cathodic Protection: N/A, will not be installed, modified, or repaired.

Impressed Current System Sacrificial/Galvanic System

I. Under Dispenser Containment: N/A, will not be installed, modified, or repaired.

Manufacturer & Model:

VII. Additional Information on Project

A. Project drawings included with notification. Yes No
