**NOTICE OF COMPLETION OF BRIEFING AND REQUEST FOR SUBMISSION OF FINDINGS OF FACT, CONCLUSIONS OF LAW, AND PROPOSED FORM OF ORDER**

On October 27, 2017, the Commission Administrator received an Appeal regarding the above captioned case. A hearing was held on January 9, 2018. Members of the WQCC requested additional exhibits from the parties so the administrative record was left open until the submission of the exhibits. A subsequent scheduling conference was held and the parties submitted additional exhibits. Requests to remove or recaption exhibits from the record were received on January 21, 2018. The request was denied and the Commissioners can allocate whatever weight to the captions they choose.

The parties have 30 days from the close of the record to submit findings of fact and conclusions of law and a proposed form of order. 30 days have elapsed since the submission of the exhibits and request for exclusion of exhibits. The deadline to submit findings of fact and conclusions of law and a proposed form of order has been extended to Friday, March 9, 2018. The parties are encouraged to summarize their proposed findings and limit them to no more than 5 type written pages.
