**COMMUNITIES FOR CLEAN WATER'S
UNOPPOSED MOTION FOR ADDITIONAL TIME TO REPLY**

Communities for Clean Water ["CCW"] hereby moves unopposed, pursuant to 20.1.3.16 NMAC, for additional time to file a reply in this matter. Attorneys for CCW now have deadlines in major cases within the federal court system (one day apart) and within six business days of the February 5th deadline, providing good cause to request additional time for a reply in this matter. Counsel for CCW has consulted with the counsel for the other parties and there is no objection to allowing additional time for the reply, specifically a new deadline of February 15, 2019.

Wherefore, CCW respectfully requests that the deadline for its reply be moved to February 15, 2015.

Respectfully submitted:
