PROPOSED AMENDMENT)
TO 20.6.6 NMAC (Dairy Rule))

No. WQCC 13-08 (R)

PROCEDURAL ORDER

GENERAL

In conducting the hearing for the above-captioned matter, the Hearing Officer will follow, in addition to the specific procedures set out below, Part I (General Provisions), Part V (Appeals and Stays), and Part VI (Miscellaneous Provisions) of the Guidelines for New Mexico Water Quality Control Commission Regulation Hearings, unless later modified.

PART I

HEARING DATE AND PRE-HEARING BRIEFING

105. HEARING DATE.

105.A. The two Petitions were consolidated at the Water Quality Control Commission's ("Commission") September 10, 2013, meeting, and the hearing in this matter was scheduled by the Commission to begin March 11, 2013. By subsequent motion and order, the hearing will begin December 9, 2014.

105.B. All deadlines set out below are designed to provide the Commission with the legal argument and pre-filed technical testimony necessary to begin the hearing on December 9th and to proceed efficiently from that date until the hearing concludes. The Hearing Officer, Commission Administrator, and Counsel of record participated in a teleconference on August 22, 2014, to agree to the deadlines below.

106. PRE-HEARING BRIEFING.

106.A. Briefs in support of motions presented as "dispositive" motions may be filed until 5:00 p.m. October 27, 2014.

106.B. Responses to briefs filed pursuant to Section 102.A may be filed until 5:00 p.m. November 5, 2014.

106.C. Replies to responses filed pursuant to Section 102.B may be filed until 5:00 p.m. November 18, 2014.

106.D. The Commission may rule on the motions presented at its regularly scheduled meeting on November 18, 2014.

The numbering above conflicts with existing Part I Guidelines of the WQCC which according to the general section language above are still in effect, so the subsequent unused sequential numbers of Part I are substituted.

PART II
