

STATE OF NEW MEXICO  
WATER QUALITY CONTROL COMMISSION

**In the Matter of:  
Petition to Amend 20.6.6 NMAC (Dairy Rule)  
And Request for Hearing**

**No. WQCC 12-09 (R)**

**ORDER CONTINUING HEARING**

The hearing in this matter is currently set for September 10, 2013.

On August 5, 2013, Petitioner Dairy Industry Group for a Cleaner Environment (DIGCE) filed a second Petition to Amend the Dairy Rule, 20.6.6 NMAC; that Petition has been docketed as WQCC 13-08 and proposes a much broader set of amendments. DIGCE does not oppose the consolidation for hearing of both Petitions, and may choose to incorporate the earlier Petition into the later one, but these decisions can be made only after the Commission has accepted the second Petition for hearing and appointed a hearing officer. DIGCE will present its second Petition on September 10, 2013.

The Parties and Hearing Officer in this matter joined in a teleconference on August 9, 2013, to discuss these circumstances, and are agreed that the hearing in this matter should be continued from September 10, 2013 to a later date not yet established. The Parties and Hearing Officer will participate in the Commission's discussion on September 10 of the second Petition, and depending upon the Commission's decision will then discuss again the date for the hearing in this matter or both matters as appropriate.
