**GROUNDWATER QUALITY BUREAU OF THE NEW MEXICO ENVIRONMENT
DEPARTMENT'S MOTION TO WAIVE 90-DAY HEARING DEADLINE**

Per 20.1.3.19(B)(1) NMAC, the Bureau motions for waiver of the 90-day deadline to hold a hearing on this matter. The parties have scheduled settlement negotiations but cannot commence until early March, which would allow only six work days to talk prior to the Commission's meeting. If a hearing were scheduled for one of the following meetings in April or May, the parties would have sufficient time to pursue private resolution.

The Bureau has sought concurrence, and the non-moving party is unopposed.

Respectfully submitted,
