

STATE OF NEW MEXICO
WATER QUALITY CONTROL COMMISSION

In the Matter of:

MOTION TO DISMISS

MARISELA ORNELAS, d/b/a

VISION MOBILE HOME PARK, LLC,

Respondent.

No.: WQCC 20-_____

HERE COMES Marisela Ornelas, owner of Vision Mobile Home Park, LLC, a corporation in good standing with the State of New Mexico since 2018. Respondent requests that New Mexico Environment Department amend its ADMINISTRATIVE COMPLIANCE ORDER REQUIRING COMPLIANCE AND ASSESSING A CIVIL PENALTY and the accompanying ATTACHMENT 1 – PENALTY CALCULATIONS to indicate Respondent as “VISION MOBILE HOME PARK, LLC” and strike the Respondent’s name of “MARISELA ORNELAS, D/B/A VISION MOBILE HOME PARK, LLC.”

This Motion is being brought in accordance with the New Mexico Administrative Code, Title 20.1.1.307(C) in that while being prepared effort was made to determine if there was concurrence in the above and it was indicated there was no concurrence.

I. ARGUMENT

1. I am Charles Patton, Vice President of Compliance, for Vision Mobile Home Park, LLC [hereafter referred to as “Respondent’s Corporation”] and am preparing this Motion to Dismiss on behalf of Respondent’s Corporation Ion Pro Per.
2. As a matter of accepted law, Marisela Ornelas is not a party to this matter as she has had the benefit of corporate protection provided under state and federal law since 2018. Please See Attached Exhibit “A”: Record, Secretary of State, State of New Mexico, Printout 02/08/2021.
3. That being the case, Respondent recognizes that the mis attribution may well have been her fault given that the first reference is made in the draft of the “Ground Water Quality Bureau Discharge Permit Issued under 20.6.2 [DP-1691]” dated 12/3/2019 [hereafter referred to as “DP-1691”].
4. In telephonic discussions with Mr. Chris Vigil [hereafter referred to as “AG Vigil”], Assistant General Counsel, New Mexico Environment Department [hereafter referred to as the “Department”], on 02/08/2021, AG Vigil indicated, possibly correctly, that the misattribution might have occurred due to Respondent’s failure to indicate on her application for DP-1691 that she was at the time of application now a corporation as indicated above, and not acting as an individual. If this is the case, Respondent apologizes for this misattribution and for any confusion or trouble this may have caused all respective parties.

5. In addition, during the same discussion, Mr. Vigil indicated that the department denies concurrence. He very helpfully pointed out that in fact the matter has not been calendared yet with the Water Quality Control Commission [hereafter referred to as the “Commission”] so that Motion Practice is premature.
6. This motion does not indicate Respondent’s desire not to be compliant in resolving this matter. The main issue is that because she owns a corporation in good standing with the State of New Mexico, she wants to ensure that her corporation and not her is being sued here as this affects settlement, compliance, attribution of liability and resolution of this very important matter before the Commission.

II. RELIEF REQUESTED

7. As indicated in the opening of this motion, Respondent simply requests that the Department amend its caption and references in its ADMINISTRATIVE COMPLIANCE ORDER REQUIRING COMPLIANCE AND ASSESSING A CIVIL PENALTY and the accompanying ATTACHMENT 1 – PENALTY CALCULATIONS to indicate Respondent as “VISION MOBILE HOME PARK, LLC” and strike the Respondent’s name of “MARISELA ORNELAS, D/B/A VISION MOBILE HOME PARK, LLC.”
