## 2019 UTILITY OPERATOR CERTIFICATION EXAMINATION SCHEDULE

Due to an increase in the number of applications received for operator certification exams, there is a class size limit to each exam session as listed on the calendar below.

Once an exam session is full and closed, the following notifications will take place:

1. Full sessions will be noted and highlighted on this posted schedule.
2. A full session notice will be posted on the UOCP website under the “Announcements” tab.
3. Anyone with an application approved after a session has been closed will be notified of approval to test at the next available session without submitting another application.

**EXAM SESSIONS WILL BE FILLED ON A FIRST COME FIRST SERVED BASIS, SO IT IS ENCOURAGED TO SUBMIT EXAM APPLICATIONS EARLY.**

Below is the operator certification exam schedule for 2019. Any additions or changes to this schedule will be published on the UOCP webpage. Please address any questions, comments, or requests for information regarding the certification process, to the **NM Utility Operator Certification Program**. Our phone number is **(505) 827-2802**. Our mailing address is:

**NM Utility Operator Certification Program  
NMED Drinking Water Bureau  
PO Box 5469  
Santa Fe, NM 87502-5469**

Exam applications should be submitted to the Utility Operator Certification Program as soon as possible, but **must be postmarked at least 30 days prior to the examination date.**

**All applications for examination received must be accompanied by check or money order for payment of the application fee.**

Application forms are available at [https://www.env.nm.gov/drinking\\_water/dwb-utility-operator-certification-program/](https://www.env.nm.gov/drinking_water/dwb-utility-operator-certification-program/)
