Item 5. Approval of meeting minutes, May 7, 2012.

Item 6. Request for hearing by KI-STONE Environmental – Appealing the Denial of Relocation Application No. 3617R3, EIB 12-02 (A). Andrew Frye, Senior Environmental Specialist.

Action: Chris Brosious of Rockcon, filling in for Andrew Frye, stated that they are requesting a hearing based on their appeal letter of June 13, 2012. Their relocation request was denied by the Air Quality Bureau based on a ¼ mile radius requirement in the general permit, although a relocation request had been approved in the past on a similar project. They would like the hearing as soon as possible because the project is an ongoing project as part of the I-10/I-25 corridor reconstruction in Las Cruces.

Andrew Knight of the Office of General Counsel and Ted Schooley of the Air Quality Bureau stated that Appellants are entitled to a hearing within 60 days and in order to comply with that requirement the hearing would have to be held during the August 6th EIB meeting. Ms. Orth and Mr. Reynolds noted that notice requirements would also have to be met.

Mr. Fulfer made the motion to grant the hearing and Ms. Ryan seconded the motion. The motion passed unanimously.

The Board then discussed when to set the hearing. It was agreed that the hearing will be on August 13th in order to fulfill noticing requirements; thus the Board will be meeting on both August 6th and August 13th.

Item 7. Continuation of hearing in EIB 11-18 (R), Proposed Revisions to 20.7.10, NMAC Drinking Water Regulations, Bill Grantham, NMED/OGC; Angela Faye Cross, Andrew Edmondson, NMED/DWB.

Action: The continuation of the hearing in EIB 11-18 (R) was recorded and transcribed by Cheryl Arreguin of Kathy Townsend Court Reporters. The transcript is available in the office of the Board Administrator. An extensive question and answer session took place between the Board, the NMED attorney, and NMED Drinking Water Bureau staff.

The hearing recessed for lunch from 11:48 a.m. to 1:08 p.m. Afterward the Hearing Officer invited public comment before further Board questions.

The hearing ended and the record was closed at 4:09 p.m. Post-hearing submissions are due by close of business on August 13th and the Board will deliberate at its regularly scheduled meeting on September 4th.
