Action: Mr. Rose and Mr. Alvidrez presented reasons for the petition and answered numerous questions from the Board. They requested that the Board schedule the petition for hearing in November and that the Board designate Felicia Orth as Hearing Officer.

Ms. Peacock asked Mr. Flynn if the department would be participating and Mr. Flynn responded affirmatively. Ms. Peacock asked Mr. Flynn if the department had a position on the rules and Mr. Flynn responded that the department supports the petitions and the petitioners' suggestion of Ms. Orth as hearing officer. The Department supports repeal of the cap and trade rules, and as a matter of policy greenhouse gas regulation should be adopted at the federal level.

Ms. Peacock noted that New Energy Economy filed a motion related to the petitions late Friday afternoon but it would not be heard at this meeting because of the timing of the filing. Ms. Peacock suggested that the time to hear the motion would be at the hearings on these matters.

Mr. Rose suggested the hearing on this petition be held after the hearing on EIB 11-15 (R), perhaps in December. Board members asked further questions on the length and timing of the hearing.

Ms. Peacock asked if there were any further questions and a representative from New Energy Economy asked how hearings would be held procedurally regarding public comment, previous testimony, and review of the thousands of documents and record from the prior hearings. Ms. Orth stated that there were procedural mechanisms to streamline hearings. New Energy Economy requested the ability to participate in scheduling issues.

Mr. Volkerding moved that the Board accept the petition and combine the hearing with EIB 11-15 (R) with Ms. Orth acting as the hearing officer. Mr. Fulfer seconded the motion. The motion passed unanimously.

Action: Board discussed dates for hearings. Board agreed to hold its regular November meeting on November 7th, and begin the first hearings on November 8th and 9th. Mr. Rose reminded the Board that the hearings could take months to complete if hearings were held only 2-3 days a week.
