Item 5. Presentation in re: Board authority relating to the Board’s desire to “go paperless” and the form of filing. Tracy Hughes, NMED General Counsel

Ms. Hughes discussed with the Board unforeseen problems that had been encountered with respect to the online posting of meeting documents previously sent in hard copy form to the Board members prior to each meeting. After some discussion, the Board agreed that posting the meeting documents in PDF format on EIB’s website was the most efficient and effective manner in which to handle the situation while preserving the public’s ability to review all documents.

Item 6. Board action in re: NMED’s Occupational Health and Safety Bureau’s Request for Reconsideration in EIB 07-15 (R), Amendments to 11.5.1, 11.5.2, 11.5.4 and 11.5.6 NMAC. Kathryn Becker, NMED/OGC.

Mr. Becker stated that the Request for Reconsideration related to the specific issue of private interviews of employees by Bureau staff during an investigation of alleged health and safety violations by employers which would exclude employer counsel. During her presentation Ms. Becker noted that if the Board was unwilling to consider the Bureau’s request to change the language which the Board had adopted at the June 2, 2008 hearing, then the Bureau would ask that the Board, in the alternative, allow the Bureau to retain the rule currently in effect.

Jason Sandel, representing Aztec Well, presented his views with respect to the issue being considered by the Board.

A very lengthy discussion among the parties and the Board was held.

Mr. Shandler presented a series of four options for consideration by the Board in resolving this matter: 1) approval of the Statement of Reasons as written; 2) reconsideration of the language in the Statement of Reasons and adoption of NMED’s current proposal; 3) conduct a discrete hearing developing new language; and 4) a return to the prior language of the section in question. He further pointed out legal ramifications flowing from possible actions taken by the Board.

The Board continued, at length, its discussions with respect to a number of issues in this matter.

At Line 5 of Paragraph 55, revised language should read “…employer must, if employee uses company counsel during the interview…”.
