Prior to the commencement of the Agenda Item 5 hearing, Chair Green initiated discussion relating to POWRA’s Motion to Dismiss Petition or, in the Alternative, Stay Proceedings filed October 27, 2009, by Mark Ish, Esq. and William Winter, Esq. on behalf of POWRA. Mr. Winter briefly explained POWRA’s position relating to its perceived view of an existing conflict with respect to a current Santa Fe County District Court case and the Board instituting new regulations. Mr. Green noted that the Board considered the conflict issue disposed of at a previous meeting. He further noted that POWRA’s Motion to Dismiss had not been filed within time deadlines prescribed by Board rules and would require a suspension of those rules by the Board in order to consider and vote on the matter.

A discussion relating to various primary and peripheral issues with respect to this case ensued.

**Action:** Mr. Peters moved that the Board suspend its rules and allow Board consideration of POWRA’s Motion to Dismiss Petition or, in the Alternative, Stay Proceedings.

Discussion regarding suspending the rules and the ramifications of possible precedential impact was conducted.

Mr. Ghassemi seconded.
