Notice of Docketing

At close of business on June 11, 2020 the Environmental Improvement Board Administrator electronically received a Petition for Hearing on registration numbers 8729, 8730 and 8733 under general construction permit for oil and gas through the Petitioner co-counselors, Daniel Timmons and Samantha Ruscavage-Barz. The next day, on June 12, 2020, the Administrator stamped the Petition. Due to the capabilities of the Adobe time stamp function, the Administrator could not change the stamp date to reflect the June 11th filing date. Therefore, to keep the record clear, the Administrator included with the Petition the email used to file it with the date and time highlighted. The Administrator docketed the matter as EIB 20-33 (A), pursuant to 20.1.2.203 NMAC.
